1. We would like to take this opportunity to welcome and congratulate you on your assignment to the Headquarters & Headquarters Battalion, United States Army Pacific (HHBn USARPAC). You will find that during your assignment here within HHBn USARPAC, you will undergo many demanding, yet rewarding experiences.

2. USARPAC as the Army Service Component Command (ASCC) to U.S. Pacific Command (USPACOM), provides forces, commands assigned forces, and enables full spectrum operations to deter aggression, advance regional security/cooperation, respond to crisis, and fight to win. On order, USARPAC provides C2 for small scale contingency operations or serves as Combined or Joint Headquarters (HQ) HA/DR and peacekeeping operations.

3. Due to the geographic locations and the military facilities outlying the island of Oahu, the possibility of new and unique experiences in terms of recreations, social development, and expanded knowledge of the Pacific are presented. We ask that you visit the following websites and begin looking for housing as on-post housing may be difficult to obtain initially.
